SHEMAN'SKI'S JEWELRY STORE

P-R-I-C-E-S SMASHED TO A FRAZZLE!

My store is too small for the large
stock I carry. In order to make
room, which is more valuable to me
than high-priced jewelry consisting
of,

Diamonds

Brooches

Cuff Buttons

Watches, Rings

Bracelets

Neck Chains

Cut Glass

Combs

and Fobs

IMPORTED

Chinese, Japanese, German and Austrian
Wares

Also Carving and Toilet Sets, Military
Brushes, Etc.

In order to reduce my stock and make room
for my Goldfield stock, which I will bring to To-
nopah after the first of the year, I will

REDUCE PRICES

on all my Goods. The people will get as much
for one dollar this year as they did last year for
two. It is my first Christmas in the Business in
Tonopah and I assure the people they will be
better satisfied to get the same goods or better
for less money than they did before.

I am here to stay and build up my reputation as I did the past seven years in
Goldfield. In order to do this I will give the public the benefit and divide the profits.
Bring your retail catalogue and buy for the same prices right here in Tonopah.
When I say retail, I mean catalogues from the big eastern firms, not wholesale cata-
logues, from which we get from 50 to 100 per cent off.

Some people think my prices are too low. Don't worry, I don't lose anything
by it. I build my business on a solid basis.
